OUR SERVICES

JPS Health Network offers a wide range of health care services in communities throughout Tarrant County.

On our main campus, just south of downtown Fort Worth, we provide emergency services, trauma care at Tarrant County's only Level 1 Trauma Center, urgent care, inpatient care including intensive care for infants and adults, emergency and inpatient psychiatric care, and a full range of outpatient services.

JPS CONNECTION

You can afford the health care you need. JPS Connection provides discount services to those who qualify. Find out more about this program at www.jpconnection.org.

JPS HEALTH CENTERS

We're part of your community. That's why we have health centers in the neighborhoods where you live. We focus our care on the whole family, so you and the people you care about most can get needed health care services.

JPS HEALTH CENTERS FOR WOMEN

From routine exams and cancer screenings to prenatal care, women of all ages can get care at our dedicated health centers for women. Located in Arlington, near John Peter Smith Hospital, and in Northwest Fort Worth, JPS has three centers dedicated to women's health care.

JPS CENTER FOR CANCER CARE

Our dedicated staff treat cancer and blood disorders and are there to provide chemotherapy and radiation services. Now an accredited cancer care facility by the American College of Surgeons, the JPS Center for Cancer Care is nationally recognized for providing quality cancer care, including clinical trials. The center is lead by the Hope Team, a group of physicians, nurses, social workers, and support staff dedicated to curing cancer and blood disorders.

URGENT CARE

Not every sudden sickness is severe enough for the emergency department, but you cannot always wait to see your primary care physician. Urgent Care is available in Arlington and Fort Worth. Please call for hours of operation at 817-702-8490 (Arlington) and 817-702-1451 (Fort Worth).

JPS SCHOOL-BASED HEALTH CENTERS

When children are in school, they should be thinking about their class work, not worrying about their health. That's why JPS has joined forces with schools throughout the community to create school-based health centers. These centers are a great way to keep children healthy by providing health care in a convenient locations.

PHARMACY

We offer pharmacies at many of our facilities and our main campus pharmacy offers weekend and evening hours. Refills can be ordered by phone, online, or by mail order.

DENTAL SERVICES

JPS dental clinics are located at several of our health centers. Our dentists and hygienists can treat cavities for adults and children and offer the Healthy Smiles Dental Sealant Program to prevent tooth decay in children.

HEALTH PROMOTIONS

Offering free classes and programs on diabetes, high blood pressure, smoking cessation, childbirth, car seat safety, and more, JPS Health Promotions brings a professional team of registered nurses and health educators to the community. These presentations help you and your family learn more about accessing JPS health care services. Join one of our classes, offered in English and Spanish. For a complete listing of classes and registration details, call (817) 702-7300.

JPS Health Network is proud to be the tax-supported health care system for Tarrant County. We have provided care for more than a century to those in need.

JPS Health Network does not discriminate in its programs and activities on the basis of gender, race, color, national origin, disability, or age in admission or access to treatment or employment.
